FAQ

what are the options for the private bar?

we offer three options for your event:

cash bar

each guest is given the flexibility to choose their preferred beverage and pay accordingly.

open bar

there are two options for open bar ...

our first option allows the host or event organizer to cover the cost of all beverages served to guests.

the second option is for the host to set a predetermined dollar amount or time limit. once this limit has been reached, it will then become a cash bar.

drink tickets

drink tickets may be given to your guests allowing you to offer a set number/type of beverage during your event. drink tickets are not a set price, so you will be charged accordingly for the type of beverage your guests consume. once the drink tickets are redeemed, the bar then becomes a cash bar.
